SKILLS

- Programming Language – **Java (DSA)**
- **HTML, CSS, JavaScript**
- **SQL, GIT, GITHUB,**

EDUCATION

- Rizvi College Of Engineering | B.E. Electronics & Computer Science | 2022-26 | 7.74
- K.J. Somaiya Junior College of science and commerce | XII (HSC) | 2022 | 57.67%
- Al Salam English School | **1st in school** | X (SSC) | 2020 | 91.20%

ACADEMIC PROJECTS

❖ Dark Store Load Balancer – Optimize Quick-Commerce Delivery Link

Developed a system for optimizing quick commerce delivery across multiple dark stores based on **distance, load, and inventory**, reducing delivery time & overhead.

Python, MySQL, REST API, HTML, CSS, JavaScript, React.js

❖ Rizvi Book Bank – Smart Book Management System for College Students Link

Developed a web-application that enables RCOE students to easily manage, borrow, and pass on academic books across batches. HTML, CSS, JavaScript, PHP, MySQL, Bootstrap.

❖ Facial Recognition Attendance System Link

Built an automated attendance system that detects and marks student attendance using facial recognition, eliminating manual entry, deceit.

Html, Css, Js, Python, OpenCV, NumPy, MySQL.

❖ Mini Tesla - Miniature Self Driving Car (Delivery)

Created a miniature self-driving, obstacle-avoiding car which can also track on paths (for automated short deliveries) using Arduino Micro-controller, ultra-sonic and Infra-red sensors.

SOFT-SKILLS

- **LEADERSHIP** (School Head-boy, Sports-Captain & Project Manager)
- **COMMUNICATION** (Inter-school Debates, Group Discussions, Elocution Champion, Negotiation Skills)

POSITION OF RESPONSIBILITY

- **RCOE CODECELL 2026**
- **MINI/MAJOR PROJECT GROUP LEADER & MANAGER**

  Led and managed 3 academic projects, overseeing planning, development, and team coordination from concept to deployment.

CERTIFICATES

- Sigma DSA + DEVELOPMENT course (MERN Stacks & DSA in JAVA) **Link**
- VAC Cybersecurity **Link**
